VALUELINE

MHL adapter cable MHL - VGA + 3.5 mm 0.20 m black

General information

This adapter cable is equipped with a micro USB connection and an integrated VGA function so you can connect an MHL cable to the latest smartphones and tablets. Connect your phone or tablet to an LCD, LED or plasma TV and view your photos, videos and other content by using a VGA cable. The power cable must be connected to the MHL adapter to receive the necessary amount of power.
